SANFL Grand Final Adelaide Oval

EXTRA TIME : OTHER NOTES

A full draw can be found at the SANFL Web Site www.sanfl.com.au & there will be a poster in Saturday's Advertiser

- This season is 3 weeks shorter than previous with 2 less games and 1 less bye.
 - The grand final will be played the week BEFORE the AFL finale.
 - The draw is now much more even with every side playing each other twice, once home and once away.
 - The exception to this are the Crows who play all games at the oppositions ground except a May 4th game which will be against Port @ Clare.
 - Most clubs retain 10 home games and now have only 8 away games, except Port (9/9) and the Crows (1/17).
 - Games will be played over 10 different time slots with afternoon games at 12.10pm, 1.10pm, 1.40pm, the traditional 2.10pm and 3.20pm. There is a twilight game at 5.00pm and night games at 6.30pm, 7.10pm, 7.20pm and 7.40pm. Check carefully before you leave.
 - Norwood & West do receive a bye after their Foxtel Cup semi & grand final games should they qualify for them. However Norwood do not play the weekend after their Round 1 game due to the state match, whilst West will play 3 games in 8 days around their match against Tasmania's Western Storm.
 - Whilst the IGA League is now a 10 team competition the Reserves, Macca's Cup (U18) and Macca's Talent Shield (U16) remains at 9.
 - To make up for schedule adjustments these three competitions will all commence a week earlier than the IGA League on March 29th. They will also play "catch up" matches on the State Game weekend.
 - In a season of mass player & coaching changes there will be some interesting individual clashes this season
